1. Email *

2. Name *

3. **Think about what you *currently* want to do after graduation.** What paths are you considering? Is there one that stands out? If you're not sure, what are you leaning towards? *

4. **Think about any open questions you have about your future career path (even if you know exactly what you want to do).** What are you uncertain about? Are you not sure if you'll like research? Do you need more information on what your job would entail? *

5. **Think about how this class can help you answer your questions.** What are your plans for making sure you get what you want out of this class? What are the skills you want to prioritize developing? How can we (the instructors) help you get there? *

6. **Pick one main goal for this class.** What is the #1 thing you want to have achieved by the end of the semester? *
